

The Discovery, based on the short wheel base Transit, is one of the smallest motorhomes available with a full size toilet and shower compartment. This gives the Discovery owner the benefit of being fully self sufficient even when campsite facilities are not available, and all in a van that is only 15ft 10ins long.

The Discovery has a rear end kitchen with stainless steel two burner hob and grille with matching sink, and a 45 litre electric compressor fridge. The hot water is provided by a Truma water heater that operates on gas or mains electric. Above the kitchen are overhead storage cupboards.

The lounge consists of two forward facing rear seats (both with three point seat belts), and cab seats that both swivel round to make up the dinette. Both front and rear seats lay flat to make up two single beds approximately 6ft 2ins in length, leaving an aisle from the very front to the rear of the van. This allows access to the kitchen, the toilet and through the rear doors even when the beds are made up. An alternative is available with a settee behind the driver's seat and one forward facing seat, which make a double bed across the van. Although this is 4ft wide it is restricted to 5ft 10in in length.

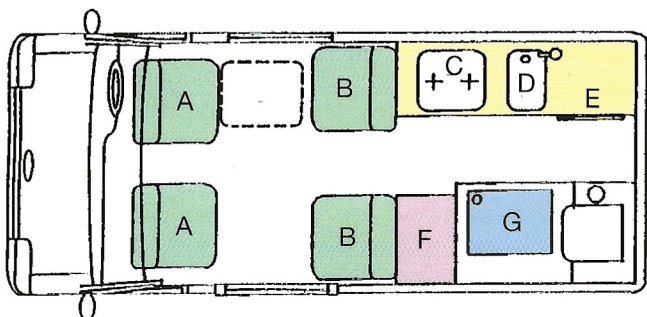

Above the cab there is a large storage cupboard. A child's double bed can be specified here in place of this as an option. Other standard equipment includes electric hookup, 110amp/hr battery with charger and under floor fresh and waste tanks Eberspacher diesel blown air heating can be specified as an option.

For those who do not want dedicated space allocated to an onboard shower/toilet compartment we offer the Mayflower. The lounge and bedroom area are the same as the Discovery but in the rear there is a larger kitchen with a 60 litre fridge and space for a Porta Potti 365.

There is an extensive range of useful and sensible priced options available with the Transit, all of which can be seen on the Ford Price List. Combined with the two layouts and various arrangements available from Devon this allows the Discovery or Mayflower purchaser to choose a motorhome suited to their needs.

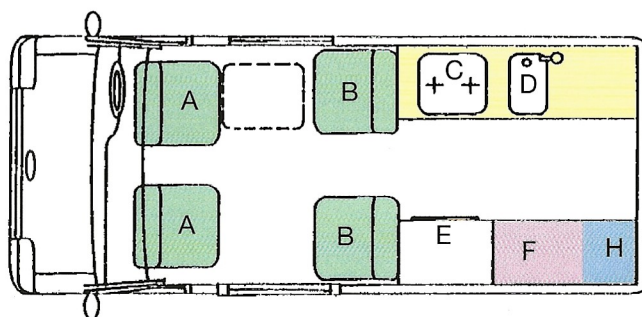

DISCOVERY

- A Swivel Cab Seats
- B Forward Facing Rear Seats
- C 2 Burner Hob & Grille
- D Sink

MAYFLOWER

- E Fridge
- F Wardrobe
- G Shower Room with Cassette Toilet (Discovery)
- H Porta Potti 365 (Mayflower)

Length : 4834mm Width : 1974mm Height : 2580mm
